RHANA MEMBER

PLAY BALL!

Bethel United Methodist Church wants to encourage neighborhood children to use the church grounds to play baseball or softball. There is a backstop available and the church has bases that can be used if arrangements are made in advance.

RHANA MEMBER

We have been asked by the City of Fort Worth to remind our members that storm drains are NOT for grass clippings and leaves. Grass clippings and leaves brown into the street during yard maintenance don't just disappear – they end up in the nearest creek. When it rains, anything in the street washes into storm drains that lead to area creeks and rivers. The best place for yard trimmings? 1. Blow grass clippings back onto the lawn. 2. Rake or blow leaves into a compost pile. 3. Bag clippings and leaves and set on the curb on your regular trash pickup day. The storm water system is designed to drain rain and only rain, keeping large amounts of water from flooding homes and property during storms.

THOUGHT FOR THE MONTH

Hope sees the invisible,
 feels the intangible
 And achieves the impossible.
