

JULY 2009 MEETING JULY 13TH 7:00 P.M.

Our guest will be :

My name is Kerry Hutchison and I am a Home Energy Auditor. I have a HERS Certification (Home Energy Rating Specialist). I am also a Certified Comprehensive Home Energy Auditor through Texas HERO (Home Energy Rating Organization). I am Certified through Tex Energy Solutions as a Home Energy Rater.

I have 20 plus years experience. I would like to speak about how we can be more efficient and comfortable in our homes. I use building science and mechanical system acumen to help homeowners save money, be safe and be more comfortable in their homes.

Hope this helps. I can send more info if you like. I will also attach a presentation that I do some times. It is a home I did in Arlington. Thank you!

Kerry Hutchison
Project Manager

FUTURE MEETING
DATE
ALL ON MONDAY

SEPT.14TH
NOV.2ND
DEC.7TH

DID YOU KNOW?

If your home is on Overhill and your back yard backs up to West Vickery, we suggest that you do not put any trash or tree limbs back there because Waste Management will not pick it up but you may be fined up to \$500.00 for the violation. Check your backyard and make sure you are not in violation. Waste Management will only pick up at an actual address.

Go Green! Recycle Right!

!

Here are some important tips on how to recycle right!

Paper

Paper includes office and school papers, newspapers (without the plastic bag), junk mail, catalogs, magazines and telephone books

Card board

You may recycle card board boxes but they must fit inside your blue cart with the lid closed.

Paper Board

Paper board includes cereal boxes (be sure to remove the plastic lining), soft drink cartons and cracker boxes. Frozen food boxes, milk and juice cartons cannot be recycled due to the waxy coating.

Plastics

Plastics include soda bottles, detergent bottles, water & milk jugs and plastic containers with recycling numbers 1 – 7 on the bottom. Be sure all plastic containers are empty and rinsed well.

Glass

Glass includes all colors of glass jars and bottles. Be sure to rinse and remove all lids then toss them in the blue cart!

Cans

Cans include food and juice cans, dog and cat food cans and of course soda cans. Remember to rinse well!

For a complete list of items accepted in the city's recycling program visit the [Recycling](#) page. Or to find locations in North Texas that recycle items not accepted in Fort Worth's program visit the [Time to Recycle](#) interactive

District 3

Councilmember W.B. 'Zim' Zimmerman

Zim Zimmerman won the election to represent the residents of Council District 3 on June 13, 2009. His election represents a new chapter in the history of this district as he came forward to replace the late Chuck Silcox, who faithfully served in the position for 17 years.

Zimmerman retired in 1999 as Vice President of Product Support at Lockheed Martin Tactical Aircraft Systems in Fort Worth. His lengthy career in the defense industry spans 34 years with a wealth of experience in marketing; design; testing; manufacturing; product support and program management. During his tenure, Zimmerman was instrumental in the introduction of aircraft in both domestic and foreign markets as well as the establishment of a major manufacturing facility in Turkey. His resume also includes 23 years managing customer support teams in the United States; Europe; the Middle East and the Far East.

In his professional life, Zimmerman has held nominations as a member of the Board of Advisors for the Society of Logistics Engineers and as President of the Lone Star Chapter American Defense Preparedness Association. Because of his background and experience Zimmerman has been invited to speak to the members of countless industry-related organizations including the Air Force Association; the Aerospace Industries Association; the American Defense Preparedness Association; the National Management Association; the Society of Logistics Engineers; the Defense Contract Agency; Certified Professional Managers; and Defense Week Magazine.

Because of his career accomplishments, Zimmerman has been honored with several distinguished awards, including:

- The Edward M. Greer Award, 1995: The National Security Industrial Association, Logistic Management Committee's highest individual recognition for managerial innovations in integrated support concepts and for logistics and engineering contributions to industry and the Department of Defense.
- The Silver Knight of Management Award, 1992: The National Management Association's highest individual recognition for promoting the recognition of management as a profession and the promotion of the American enterprise system.

A 1964 graduate of Texas A&M University with a Bachelor of Science degree in Aeronautical Engineering, Zimmerman has remained an active supporter of the University's Forsythe Heritage Foundation, the Twelfth Man Foundation and the Association of Former Students.

In addition to his professional accomplishments, Zimmerman has supported a host of local community causes and is actively involved with major organizations in planning, organizing and implementing annual fundraising campaigns. Some of those organizations include:

- The March of Dimes Foundation
- Citizens Crime Commission
- United Way of Metropolitan Tarrant County
- National Management Association
- Aviation Heritage Association
- North Texas Commission
- Fort Worth Residential Board of Adjustment
- Lighthouse for the Blind boardmember

During his time at Lockheed Martin, Zimmerman served as executive sponsor or played an important role in the planning and implementation of the company's fundraising campaigns for the March of Dimes; United Way; the American Heart Association; Big Brothers and Sisters; the Boys Scouts of America; the Arts Council of Fort Worth and Tarrant County; Multiple Sclerosis; U.S. Savings Bonds; Junior Achievement; and the company's "Con-Trib" campaign, which supports numerous charitable and service organizations.

Zimmerman has lived in the Fort Worth area for more than 45 years and has been a resident of District 3 since 1993. He is married to Mary Alyce. They have two sons and two grandsons and are active members of Ridglea Presbyterian Church.
